THE BAUXITE MINE

The Bauxite Hills Mine is located 95 kilometres north of Weipa on Western Cape York in Queensland.

The mine is a Direct Shipment Ore (DSO) mining operation in the internationally acclaimed Weipa bauxite region. Mining operations started mid-April 2018 and ceased 28 December 2018 with production of 2.037M WMT. In 2019 Calendar Year production is planned to increase to 3.5M WMT.

In early 2019 Metro is updating the 2017 Definitive Feasibility Study (DFS) to assess options to expand operations to 6.0Mtpa by Calendar Year 2021. The DFS will update the Resource and Reserve, renew the mine plan, assess operations to date and allow for improvements to be built into the expansion plan. The DFS has a strong focus on marketing, transshipping and ship loading functions.

Bauxite Hills Mine is a surface mining operation using bulldozers to clear trees, remove soil and minimal overburden. When mining is complete soil is progressively returned to mined areas using smaller equipment to ensure soil integrity and maximise rehabilitation success. No blasting is required with front-end loaders mining the bauxite and loading directly into road trains. Bauxite is hauled to port via dedicated haul roads, screened to a maximum product size of 100mm, fed into the barge loading facility and onto barges. Any oversize material from the screening process is crushed and loaded onto barges. Specialist tugs tow the barges down the Skardon River and beyond the river mouth where ocean going vessels (OGVs) are anchored. The OGVs are loaded using their own onboard cranes.

Mining operations are conducted only in the dry season; a notional 9-month period from April to December.

SAFETY

Bauxite Hills Mine has an excellent safety culture with all personnel and contracting partners embracing a safe working environment. In the first year of operations no Lost Time Incidents were recorded. This achievement is due to a strong safety commitment instilled and supported at all levels at the Mine.

LOCAL EMPLOYMENT FOCUS

Bauxite Hills Mine employs ~ 200 people (including contractors) and has an indigenous workforce of ~40%* with about 95–100 people always on-site. Metro provides regular direct charter flights, from Cairns and Injinoo, for all site personnel and contractors.

Bauxite Hills Mine continues to exceed Traditional Owner employment targets in the Ancillary Agreement. Metro is committed to our Traditional Owners and local communities who we regard as partners in this business.

BAUXITE SALES

Following initial shipments to China, Metro received a good response, executing sales agreements with 5 customers and all shipments delivered to contractual specifications.

Metro has sales contracts to cover ~75% of the upgraded 2019 production. ~2.2M WMT of 2019 planned production will be sold under a long-term off-take with Xinfu; with prices linked to an RMB denominated alumina price index. Pricing of the remainder of 2019 product sales are expected to be linked to the prevailing market price.

There is also demand for Metro's bauxite from Chinese inland refineries where supply of domestic bauxite has been hindered by resource depletion, mine closures and environmental audits. Metro's product specifications are well suited to the processing requirements of these refineries.

Bauxite price outlook remains positive. Chinese bauxite imports hit a record level in 2018 of over 81.0Mt. Bauxite prices remained strong at end 2018 and into 2019. Market predictions are for China to continue to import record levels of bauxite in 2019 due to environmental mine sanctions and a tightening of domestic bauxite supply.

This Explanatory Memorandum accompanies the Notice of Annual General Meeting of Metro Mining Limited (**Metro**) to be held at the office of McCullough Robertson Lawyers, Level 11, 66 Eagle Street, Brisbane, Queensland on Thursday, 23 May 2019 at 11.00am.

The Explanatory Memorandum has been prepared to assist Shareholders in determining how to vote on the resolutions proposed and ought to be read in conjunction with the Notice of Meeting.

ORDINARY BUSINESS

Financial Statements and Reports

- 1 The Corporations Act requires that the Report of the Directors, the Auditor's Report and the Financial Report be laid before the Annual General Meeting. In addition, Metro's Constitution provides for these reports to be received and considered at the meeting.
- 2 Apart from the matters involving remuneration which are required to be voted upon, neither the Corporations Act nor Metro's Constitution requires a vote of Shareholders at the Annual General Meeting on the Financial Statements and Reports.
- 3 Shareholders will be given reasonable opportunity at the meeting to raise questions and make comments on these reports.
- 4 In addition to asking questions at the meeting, Shareholders may address written questions to the Chairman about the management of Metro or to Metro's Auditor, Ernst & Young, if the question is relevant to:
 - (a) the content of the Auditor's Report; or
 - (b) the conduct of its audit of the Financial Report to be considered at the meeting.

Note: Under section 250PA(1) Corporations Act, a Shareholder must submit the question to the Company no later than the fifth business day before the day on which the Annual General Meeting is held.

- 5 Written questions for Ernst & Young must be delivered by 5.00pm on 16 May 2019, addressed to the Company Secretary, Metro Mining, GPO Box 10955, Brisbane, Qld 4000 or via email to mpetrie@metromining.com.au.
- 6 The Financial Report, the Directors' Report and the Auditor's Report are contained in the Annual Report and available on the Company's website www.metromining.com.au.

Resolution 1: Directors' 31 December 2018 Remuneration Report

- 7 Shareholders are asked to adopt the Remuneration Report of the Company for the financial period ended 31 December 2018. This Report is included in the Directors' Report in the Company's 2018 Annual Report and is available on the Company's website www.metromining.com.au.

- 8 The Remuneration Report:

 - (b) discusses the link between the Board's policies and Metro's performance;
 - (c) sets out the remuneration details for each Director and for each member of Metro's senior Executive Management Team; and
 - (d) makes clear that the basis for remunerating Non-Executive Directors is distinct from the basis for remunerating executives.

- 9 The Chairman will give Shareholders a reasonable opportunity to ask questions about, or to make comments on, the Remuneration Report.

- 10 This resolution is advisory only and not binding on the Company or the Directors. The Board will take the discussion at the meeting into consideration when determining the Company's remuneration policy and appropriately respond to any concerns Shareholders may raise in relation to remuneration issues.

- 11 A voting exclusion applies to this resolution, as set out earlier in this Notice of Meeting.

Directors' Recommendation

- 12 As this resolution relates to matters including the remuneration of the Directors, the Board, as a matter of corporate governance and in accordance with the spirit of section 250R(4) of the Corporations Act, abstains from making a recommendation regarding this resolution.

Resolutions 2 to 3: Re-election of Directors

- 13 Article 38.1(c) of Metro's Constitution requires that at each Annual General Meeting of the Company one-third of the Directors for the time being to stand for re-election, excluding the Managing Director, any Director who has served three years since last re-elected and any Director appointed to fill a casual vacancy or as an addition to the Board. If that number is not a multiple of three, then the greater of one or the number nearest to one-third but not exceeding one third of the Directors are required to stand for re-election. Excluding Mr Simon Finnis, Managing Director, and Ms. Murdoch who was appointed to fill a casual vacancy, there are three other Directors in office, meaning that one of those Directors is required to retire in accordance with article 38.1(c) of Metro's Constitution and Listing Rule 14.4. That Director is to be the Director who has served longest in office of the three Directors.

- 14 Article 38.1(a) and Listing Rule 14.4 require any Director who will have served three years since last being re-elected to stand for re-election at the AGM. Article 38.1(b) of Metro's

Constitution and Listing Rule 14.4 requires any Director appointed to fill a casual vacancy since the last AGM to stand for re-election at the next AGM of the Company.

Resolution 2: Re-election of Mr Philip Hennessy

- 15 Mr Hennessy, an Independent Non-Executive Director of Metro, retires in accordance with the Company's Constitution and Listing Rule 14.4 and, being eligible, offers himself for re-election as a Director.
- 16 Mr Hennessy was initially appointed as a Director of the Company on 30 September 2014 and last stood for re-election at the 2017 Annual General Meeting of the Company.
- 17 Over the past 30 years, Mr Hennessy has been involved in corporate insolvency and reorganisation across a variety of industries including construction, real estate, mining, manufacturing, professional services, hospitality, tourism, agriculture and financial services.
