\*NB: April was a partial month due to Cyclone Trevor and ship loading commenced 13 April 2019

July saw Bauxite Hills deliver monthly records for mining and shipping, with Metro realising the production benefits expected from the capital investment made over the wet season.

The Bauxite Hills Mine team have built on the June quarter results and the operation is now performing at high levels.

Metro Mining Managing Director and Chief Executive Officer, Mr Simon Finnis, said:

*“The mining and shipping results are certainly very pleasing and are clearly reflective of the dedication and hard work of the entire on-site team.*

*We are still trending upwards as our team gains experience with our operation, and the improved work systems have enhanced our productivity.*

*Metro is confident of maintaining these levels throughout the year and remains on track to meet production and shipping guidance of 3.3-3.5M WMT”.*
