Metro Mining Limited (ASX: MMI) (**Metro**) is pleased to announce the launch of a A\$25.5 million equity raising (**Equity Raising**), comprising a:

- placement to raise A\$3.3 million utilising Metro's ASX Listing Rule 7.1 placement capacity (**Placement**); and
- a 1 for 1 pro-rata accelerated non-renounceable entitlement offer to raise up to A\$22.2 million (**Entitlement Offer**).

A condition of the Equity Raising is a minimum raising of \$10 million under the Placement and the accelerated institutional component of the Entitlement Offer (**Minimum Raise**).

Up to 1,598.6 million new fully paid ordinary shares (**Metro Shares**) in Metro (**New Shares**) will be issued

pursuant to the Equity Raising. The Equity Raising is not underwritten.¹

All New Shares under the Equity Raising will be issued at an offer price of A\$0.016 per New Share (**Offer Price**). The Offer Price for the Equity Raising represents:

- a 25.86% discount to TERP of A\$0.022 (assuming the Placement is fully subscribed and there is full take up of the Entitlement Offer);
- a 42.86% discount to the last closing price of Metro Shares on 24 May 2021 of A\$0.028; and
- a 63.88% discount to the 30-day VWAP of Metro Shares on ASX of A\$0.044.

The proceeds from the Equity Raising are intended to provide funding for working capital to strengthen Metro's balance sheet until the NAIF funding decision and Metro FID for Stage 2 Expansion. Funding in excess of the Minimum Raise will defray equity requirements for the business until the commissioning of Stage 2 Expansion and potential operating losses beyond CY 2021.

Metro's largest shareholder, Greenstone (19.67% interest), is supportive and has committed to take up its proportionate interest in the Placement and its entitlement under the Entitlement Offer in full (an investment of up to A\$5 million).

Metro's senior secured lenders have agreed a package of deferred debt repayments, as announced on 21 June 2021. Senior secured lender, Lambhill Pty Ltd, has confirmed its intention to take up its entitlement under the Institutional Entitlement Offer in full.

New Shares issued under the Placement will not be entitled to participate in the Entitlement Offer. Each New Share issued under the Equity Raising will, from its issue date, rank equally with existing Metro Shares on issue.

Entitlement Offer details

Eligible institutional investors will be invited to participate in the accelerated institutional component of the Entitlement Offer (**Institutional Entitlement Offer**), which is expected to close on Friday, 25 June 2021.

The retail component of the Entitlement Offer (**Retail Entitlement Offer**) will be open from Thursday, 1 July 2021 to 5.00pm (Sydney time) on Thursday, 15 July 2021 to eligible retail shareholders on the record date, being Tuesday, 29 June at 7.00pm (Sydney time) (**Record Date**) (unless extended by the Board).

Participation in the Entitlement Offer will be open to Metro shareholders who are registered holders of Metro Shares on the Record Date and who have a registered address in Australia, New Zealand, or the United Kingdom, and to investors in other jurisdictions who Metro determines are eligible to participate, subject to restrictions under and in accordance with applicable securities laws (**Eligible Shareholders**).

The Retail Entitlement Offer will include an uncapped top-up facility under which Eligible Shareholders who take up their entitlement in full under the Retail Entitlement Offer will be invited to apply for additional New Shares not taken up by the Closing Date. There is no guarantee that applicants under this top-up facility will receive all or any of the additional New Shares that they apply for under the top-up facility.

The Entitlement Offer is non-renounceable and entitlements will not be tradeable on ASX or otherwise transferable. Eligible Shareholders who do not take up their entitlements will not receive any value for those entitlements that they do not take up. Shareholders who are not eligible to receive entitlements will not receive any value for the entitlements they would have received had they been eligible.

¹ The Entitlement Offer is not underwritten at this stage, however, Metro reserves the right to appoint an underwriter and/or allocate the shortfall to other investors or Eligible Shareholders that apply for additional Shortfall securities, at the Directors discretion.

Further information in relation to the Retail Entitlement Offer will be sent to Eligible Shareholders in the form of a Prospectus (**Prospectus**) and accompanying personalised entitlement and acceptance form, which are expected to be dispatched on Thursday, 1 July 2021.
